Quality of Accommodations, Food, Transportation, Venue	Food was from Korean university cafeteria... Accommodations were university dorms, two per room. Air conditioning when it worked, was much appreciated. Bus to and from venue. Everything else walking distance at venue.
Significant Observations of Rules from the Referee Perspective	The selection camp included a wide variety of tests which were mostly on video. 8 person selection committee consisting of VIPs. A major effort was made to introduce rule amendments but afterwards the status quo remained for Manchester. Wide variance in point scoring between regions.
Canadian Results	GM Yu, Master Kwan, Master Kenneally were among 54 selected for Manchester Olympic Qualifiers.
Final Comments	Fantastic experience and significant opportunity to spend time with key players in WTF community and meet many referees from around the world.
